2021–2022 Verification Worksheet – DEPENDENT V5

Blue Mountain College, Office of Financial Aid, P O Box 160, Blue Mountain, MS 38610

Your 2021–2022 Free Application for Federal Student Aid (FAFSA) has been selected for a review in a process called "Verification." In this process, the Office of Financial Aid (OFA) must compare information from your FAFSA with information from the IRS and/or other financial documents. Section 483 of the Higher Education Act of 1965, as amended, gives us the authority to ask for this information before awarding federal aid. The OFA will compare the submitted documents to your FAFSA information. If there are any discrepancies, the OFA may request further clarification. If corrections are needed, the OFA will make them on your behalf. The OFA can help you if you have questions about completing this documentation. All verification documents for the 2021-2022 academic year must be submitted by May 1, 2022. Verification file review may take up to four weeks.

No federal financial aid will be awarded to you until the verification process is complete.

It is important that you respond promptly to this request. We cannot award you federal financial aid until your file is complete. Some aid programs are limited in funding and may not be available to you if the completion of your file is delayed.
