

STUDENTS WITH DISABILITIES

BMC Student Handbook

Blue Mountain College services for students with a disability are designed to meet the unique educational needs for regularly enrolled students with a documented disability. The philosophy and mission of the program is to encourage independence, assist students in realizing their academic potential, and to facilitate the elimination of physical, programmatic, and attitudinal barriers. The College will assist students in meeting their educational challenges. Students with disabilities should contact the Provost, who serves as the Disabilities Coordinator for Blue Mountain College, to discuss the appropriate procedures for accommodating documented disabilities.
