

2020 - 2021 TUITION & FEES COSTS PER SEMESTER

BLUE MOUNTAIN COLLEGE

Blue Mountain College is a senior college supported by the Mississippi Baptist Convention. Payments by students of tuition and fees amount to approximately forty percent (40%) of the College's total operating costs. For the remainder of its operating needs, the College depends primarily on the generous support of its alumnae/alumni, friends, and the Mississippi Baptist Convention through the Cooperative Program. In effect, this added support makes it possible to keep tuition costs considerably below the national average for independent colleges. Every possible effort is made to avoid tuition increases, but fluctuating economic conditions make it necessary for the College to reserve the right to revise its fee charges at the beginning of any semester without notice.
