

OFFICE OF STUDENT SERVICES

March 17, 2020

Students,

Good morning BMC students. I hope you are doing well. We have missed seeing you this week and are praying for you daily.

This is a reminder that dorms are open today from 9:00 a.m. – 3:00 p.m. if you need to come get any of your belongings for the next two weeks as you prepare to do your courses online between March 23 through April 3. If you cannot come during these hours, please contact your Resident Director of a time you can come.

College housing will re-open on Sunday, March 22, at 3:00 p.m., and students may then return to campus. Because classes will be delivered online from March 23 through at least Friday, April 3, students may also elect to remain at home to do their online classes.

Dining services will continue to be offered on campus.

Throughout the course of this challenge, our housekeeping staff has worked hard to diligently clean and disinfect residential areas, the dining hall, and commons areas, focusing especially and frequently on common contact points, such as doorknobs, handles, light switches, counters, and bathrooms.

Any student who has traveled to a highly infected area in the USA or internationally during any portion of the break or the extended break **MUST** self-quarantine for 14 days and work or study from home.

We will continue to keep you updated of any changes through our website and by email.

If you have any questions, please feel free to contact me by email. We love each of you and please continue to take care of yourself.

God bless,
