

BLUE MOUNTAIN
COLLEGE

OFFICE OF STUDENT SERVICES

June 17, 2020

Good afternoon students,

Yesterday, I emailed you a Student Health Questionnaire which must be filled out before beginning summer classes on campus next week. Please make sure you fill this form out and click submit. Here is the form: <https://form.jotform.com/201674530330142>. You will not be able to begin classes on Monday until the form is submitted to the Office of Student Services. Please follow the guidelines below:

* Each student must wear a mask when entering any building on campus. Masks are to be worn in hallways, restrooms, and classrooms.

*We ask that you arrive 10-15 minutes before your class begins to have your temperature checked.

*If you have classes in the Administration Building, please park in front of the administration building and enter through the front doors. Please check-in at the Business Office to get your temperature checked before going to your classroom. Don't forget to bring your mask.

*If you have classes in Coward-Martin (Education Building), please park on the side of the education building and enter through the front door. Your professor will meet you in the lobby to check your temperature.

*If you have classes in Garrett Hall, please park on the side of Whitfield Dorm. Your professor will meet you at the front door and check your temperature.

*We ask that you do not gather in large groups and remember to use social distancing guidelines in the classrooms and hallways.

Our desire is to keep students, faculty, and staff safe while on campus. We ask for your assistance and cooperation as you return to campus. We look forward to seeing you next week. Please continue to be safe and take care of yourselves. If you have any questions, please feel to contact me.

May God continue to bless each of you.

Philip W. Ritchey
Dean of Students
