

March 13, 2020

Students,

In reference to the letter that was sent to you this morning concerning the Covid-19, it stated that there will be a time for resident students to return to campus to pick up belongings you may need over the next several weeks. Residence Halls will be open Tuesday, March 17, between the hours of 9:00 a.m. - 3:00 p.m. for you to pick up anything you will need.

If you cannot come during these hours, please contact your Resident Director by phone or text of a time you can come by to pick up your things.

Please be safe traveling to and from the campus. God bless each of you!

Dean Ritchey
